ELISABETH ALEMNEH

Software Engineering Student — Addis Ababa Science and Technology University (AASTU)

ABOUT ME

I am a Software Engineering student at Addis Ababa Science and Technology University who enjoys learning about technology and exploring new ideas. I am interested in software development, problem solving, and learning how different technologies can be used to build useful solutions. I am eager to learn, work on practical projects, and grow my skills by collaborating with other students.

EDUCATION

Addis Ababa Science and Technology University (AASTU)
BSc in Software Engineering — 3rd Year

INTERESTS

- Cloud & DevOps
- AI/ML
- Data Structures & Algorithms
- Web Development
- Software Development
- Problem Solving
- Technology & Innovation

SKILLS

- Programming fundamentals
- Problem solving
- Teamwork and collaboration
- Communication
- Self-learning
- Basic data science
- Android development fundamentals
